Finish:	Dark Bronze (DB), chrome (CH) or Brushed Nickel (BN) finish.
Listing:	UL & CUL Listed. 5 year WAC Lighting product warranty.

Specification Features
<ul style="list-style-type: none"> The ball and hub style aiming allows a fine 350° horizontal rotation and 90° vertical adjustment. The QF-191 can be ordered with stems from 3" to 12" long. This rigid stem provides a decorative look as well as allowing the track head to be placed closer to the object being illuminated. Can use 12 volt or 24 volt lamps, dependant on system transformer.
