HR	D329	CB WT	Halogen MR16 or Xenon Bi-Pin

Ordering Example (series - model number - finish): HR-D329-WT

**Product Details**

**Description:** Enclosed drop glass lens trim for use with HR-300 series low voltage downlight housings. Wet location listed for use in showers and similar environments.

Center lamp holder holds the lamp completely at nadir.

**Materials:** Powder coated finish on die-cast aluminum. Frosted convex glass lens with silicone rubber gasket and die-cast ring securing glass to trim. Inner die-cast aluminum trim body with three heavy gauge retention clips to firmly hold trim to housing.

**Lamping:** 12volt MR16 halogen lamp, 35w max. Ordered separately.  
Or  
12volt Bi-Pin xenon lamp, 50w max. Ordered separately.

**Finish:** CB = Copper Bronze trim with frosted glass lens.  
WT = White trim with frosted glass lens.

**Listing:** UL & CUL Listed. Suitable for wet or damp locations.

**Specification Features**

- Handles ceiling thickness up to 3/4".
- Frosted lens helps to naturally diffuse the light, providing a comfortable feel at any viewing angle.
- The three inch die-cast series is the smallest performance trim available for both commercial and residential lighting projects.
- 5 year W.A.C. Lighting product warranty.

**Compatible Housings (sold separately):**
